Form CA-721, Notice of Law Enforcement Officer's Injury or Occupational Disease, and Form CA-722, Notice of Law Enforcement Officer's Death, are used for filing claims for compensation for injury and death to non-Federal law enforcement officers under Federal Employees' Compensation Act (FECA) provisions that provide compensation for law enforcement officers not employed by the U.S. killed or injured while apprehending persons suspected of committing Federal crimes. See 5 U.S.C. 8191 et seq. The forms provide the basic information needed to process the claims made for injury or death. This information collection has been classified as a revision, because accommodation language was added

to the form and the instructions page. The FECA authorizes this information collection. See 5 U.S.C. 8193.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1240-0022. The DOL notes that existing information collection requirements submitted to the OMB continue in effect while they undergo review; however, new requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the Federal Register on October 5, 2016 (81 FR 69087).
